

# Yellowstone National Park Lodging Form

Western Region National Camping School

*Old Faithful Snow Lodge, Yellowstone National Park, May 15-17, 2009*

NCS is set for Old Faithful Snow Lodge; the first facility to open as the park clears the Old Faithful area of snow. To assure adequate accommodations for participants the Western Region has reserved, adjacent to Snow Lodge, several "Frontier" and "Western" cabins (both with private baths). Visit [www.travelyellowstone.com](http://www.travelyellowstone.com) and click on "Lodging," to learn more about them, and to discover other possibilities. Each cabin will accommodate two participants. The Frontier duplex cabins are small and look somewhat worse for wear, but they're clean and nice inside. The Western Cabins, four motel-style rooms in each, are larger and more inviting.

Families may come along and enjoy the park, but must understand that NCS participants will be intensely involved in the course, and thus unable to care for children. A spouse (or caregiver) **MUST** be present throughout. Lodging for families must be booked through the park (see below). Participants attending alone (or with a spouse also attending training) may either book a Frontier or Western cabin through the region, or work with the park to secure upgraded accommodations elsewhere in or near Old Faithful Snow Lodge.

## Choose one of the two Lodging Opportunities:

**Participant Attending Alone** (if spouse is also to experience NCS training he or she must complete a separate lodging form)

Two choices are available—please check the appropriate box: (please see below to book other options through the park)

One bed in a Snow Lodge Frontier Cabin at \$56 per night (total for 3 nights \$168) **All CABINS LIMITED—Sign up early! 1<sup>st</sup> come, 1<sup>st</sup> served**

One bed in a Snow Lodge Western Cabin at \$82 per night (total \$246) *Enter total \$ for checked cabin at bottom of page*

If possible I would like to share my room with [name] \_\_\_\_\_

*If you have not indicated a preferred roommate one will be assigned. If you want a single room you must book through the park; see below.*

**Lodging must be paid in advance to the Western Region; a credit card for incidentals is required at check-in**

*Except in the case of husband & wife, males and females will not share lodging accommodations*

**Participant to Book Lodging Through the Park** (Note: You **MUST** stay at the Old Faithful Area)

To book lodging other than that described above (i.e. upgrade for participant alone, extended stay, or family members involved), participants must contact Xanterra Parks & Resorts at Yellowstone National Park: E-mail: [reserve-ynp@xanterra.com](mailto:reserve-ynp@xanterra.com); Website: <http://www.travelyellowstone.com>; Phones: (307) 344-7311 or (866) 439-7375, Fax: 307.344.7456. **Note: this form is required with NCS registration even if booking through the park.**

- Book **privately** (no mention of BSA) under participant's name so we can identify you through the park. Do not go through "Groups."
- **DO NOT DELAY** in booking independent lodging. This is Yellowstone. It's popular. Lodging will book quickly; occupancy may reach 100%.
- Lodging **MUST** be secured within the national park at the Old Faithful area. You will not have time to drive to/from other locations.

### Dining at Yellowstone National Camping School

NCS participants will be issued "Yellowstone Dollars" to cover basic breakfasts & dinners at various locations in the Old Faithful area. There is a grill and deli; with nicer dining rooms at Snow Lodge and Old Faithful Inn (dining rooms are more expensive and may require additional personal funds). Participants **MUST** remain with the NCS group in our meeting room for Friday and Saturday lunches. **Family members may join us for these lunches by pre-paying below.** Family members may also join us for other meals, or eat on their own, but in any case they must pay their own way.

**My family will be joining the NCS participants for lunches Friday & Saturday**

This requires one \$22 voucher per person for two lunches, Friday and Saturday (No refunds - **DO NOT ORDER VOUCHERS FOR NCS PARTICIPANTS!**)

Order **DEADLINE 5/1/09**. No partial vouchers—it's both lunches or none. Meals Thursday for participants or family are not provided, but can be purchased at the park
